Mr. Campbell attended the 2021 Ohio Superintendent of County Boards of Developmental Disabilities Summer Conference on August 12 and 13 at Embassy Suites, Dublin, Ohio. Topics of discussion included provider workforce shortage, individuals with intensive needs, remote work, rising Developmental Center costs and solutions, trauma informed care, and Medicaid rates.

Mr. Campbell reported that Mid East Ohio Regional Council will be here on September 13 and 14 to complete a pre Accreditation review. The Board is preparing for the Ohio Department of Developmental Disabilities Accreditation review that should occur in January 2022.

Mr. Campbell reported receiving emails from county board staff thanking them for giving staff July 2, 2021 off to celebrate Juneteenth.

Mr. Campbell presented the monthly Major Unusual Incident report for June and July as emailed from Mid-East Ohio Regional Council. There were 7 MUIs in June and 34 year to date. There were 5 MUI in July and 39 year to date.

Mr. Campbell reminded the Board about the Families First Coronavirus Response Act which the Board voluntarily extended to September 30, 2021. After research on what other county boards are doing Mr. Campbell recommends not extending at this time.

Business Manager Ray Heaston reported receiving the second half of the levy funds. It appears the Board's voluntary hold back of the main 3.6 mill operating levy by a half a mill for calendar year 2021 will generate \$476,000 less than 2020.
